3.1.3. Is under 21 years of age; and

3.1.4.a. The student is eligible to be enrolled in a kindergarten program in West Virginia according to W.Va. 4.2.4. A Hope Scholarship student who fails to renew his or her account may submit a regular enrollment application to the Board during the regular enrollment period occurring in subsequent academic years: *Provided*, That all funds remaining in the student's account at the end of the academic year will be returned to the State and will not carry forward for use during subsequent academic years.

A secondary account holder will access the student's Hope Scholarship account via an online portal user account that is separate and distinct from the primary account holder's user account.

5.3.1. A request to change the designated account holder for an account must be submitted on a form prescribed by the Board.

5.3.2. The Board will approve a request to change the designated account holder if the Board determines that:

5.3.2.a. The account holder consents to the change of account holder or the Board determines that a change of account holder is necessary to ensure that Hope Scholarship Funds may continue to be expended on behalf of the student;

5.3.2.b. The person designated as the new account holder meets the eligibility requirements in section 5.1. of this rule;

5.3.2.c. The requested change of account holders will not cause an undue disruption to the student's education or access to Hope Scholarship Funds; and

5.3.2.d. The person designated as the new account holder enters into the Account Holder Contract required in section 6 of this rule.

§112-18-6. Account Holder Contract.

6.1. Prior to establishing a Hope Scholarship account, the account holder must enter into a written contract with the Board, agreeing, at a minimum, to the following:

6.1.1. To ensure that the Hope Scholarship student receives an education in at least the subjects of reading, language, mathematics, science, and social studies;

6.1.5. For a student who chooses an individualized instructional program, to submit the student's annual nationally normed standardized achievement test results or an annual certified teacher's review of the student's academic work to the superintendent of the county of residence, as required by W. Va. Code §18-31-8, no later than June 8 prior to the upcoming academic year;

6.1.6. To authorize the Board, the West Virginia State Treasurer's Office, the West Virginia Department of Education, and the contracted program manager acting on behalf of the Board to exchange all necessary enrollment or other data to confirm initial and ongoing eligibility for the Hope Scholarship Program.

6.1.7. To agree that items purchased with Hope Scholarship funds shall not be resold to other parties.

6.2. The Board will provide the account holder contract to the designated account holder for the Hope Scholarship student at the time of application to the Hope Scholarship Program.

6.3. Failure of an account holder to sign the account holder contract is grounds for the denial of the application for the Hope Scholarship Program.

§112-18-7. Allocation and Distribution of Funds.

7.1. An account holder must establish a Hope Scholarship account with the Board prior to receiving or expending Hope Scholarship funds. The Board will provide the account holder with instructions for establishing an account upon issuance of an award letter indicating the Hope Scholarship student's acceptance into the program.

7.2. All Hope Scholarship transactions will be completed electronically using the online portal.

7.3. The Board will complete scholarship disbursements by electronically depositing Hope Scholarship funds into Hope Scholarship student accounts. The Board will deposit one half of the funds allocated to a Hope Scholarship student for the academic year in the student's account by August 15 of that year and the second half by January 15 of that year.

7.3.1. If a student was ineligible for the Hope Scholarship Program during the most recent enrollment application period but becomes eligible during the academic year, the board shall calculate a prorated amount for the annual Hope Scholarship by reducing the annual amount by a percentage amount equal to the number of the county board of education's instructional days that have elapsed in the student's county of residence since the beginning of the instructional term, divided by 180. The board shall deposit the Hope Scholarship funds into the student's account as soon as practicable after the student's application is approved in accordance with deposit schedule outlined in section 7.3. above, utilizing the assumption that the second half distribution shall be equal to the second half distribution of Hope Scholarship students approved for the full year and the first half distribution shall be the remaining balance of the prorated amount. If approved after January 15th during the year, the full prorated amount will be deposited into the student's account as soon as practicable after the student's application is approved.

7.4. Each Hope Scholarship student will have a separate Hope Scholarship account, regardless of whether multiple Hope Scholarship students reside in the same household or share the same account holder. An account holder may only use funds in an account for the individual Hope Scholarship student to whom the funds were allocated pursuant to W. Va. Code §18-31-6.

7.5. If an account holder renews a Hope Scholarship account, any funds remaining in the account at the end of an academic year will be carried forward and may be used for the student's qualifying expenses in the upcoming academic year.

7.6. If an account holder fails to renew a Hope Scholarship account or the account is terminated for any reason, in accordance with section 10 of this rule, all remaining funds from the account will be returned to the West Virginia Hope Scholarship Program Fund.

§112-18-8. Purchases and Refunds.

Any reimbursement request shall be made on a form prescribed by the Board and shall require detailed supporting documentation and receipts. Any reimbursement requires approval of the Board.

8.2. Refunds.

8.2.1. All refunds of Hope Scholarship funds by an educational service provider or vendor must be electronically credited directly back to the Hope Scholarship student's account.

8.2.2. An education service provider must notify the Board of an account holder's request for a refund prior to issuing the refund and provide the Board with appropriate documentation reflecting the return of goods or cancellation of services for which the refund will be issued.

8.2.3. If a Hope Scholarship student uses funds to make a partial payment of tuition or fees to an educational service provider to reserve the student's enrollment in a program and the student does not participate in the program, the education service provider must electronically credit said payment back to the Hope Scholarship student's account within 30 days after receiving notice that the student will not participate in the program or after the educational program has commenced, whichever occurs earlier.

8.3. Online Portal Access.

8.3.1. Only an account holder is authorized to access an online portal user account or to complete a transaction using Hope Scholarship funds.

8.3.2. The Board may allow a person who is the account holder for multiple Hope Scholarship students that reside in the same household to access all such accounts through one online portal user account: *Provided*, That individual Hope Scholarship accounts must remain separate and segregated at all times.

§112-18-9. Qualifying Expenses.

11.6. An education service provider may not limit the amount of Hope Scholarship funds that a student may apply towards the provider's tuition and fees.

11.7. An education service provider may not retain Hope Scholarship funds used to pay a deposit or tuition in advance if the student does not ultimately utilize the vendor's services. The education service provider is entitled to only the portion of the Hope Scholarship funds paid to cover any required tuition and fees for the educational services actually rendered to the student.

11.8. If the Board receives credible information indicating that an education service provider has violated W. Va. §112-18-12. Disbursement of Funds and Eligibility Following 2022 Injunction.

12.1. For the purposes of this section, the following terms have the following meanings:

12.1.1. "Full amount" or "full amount of Hope Scholarship funds" means the amount of funds that would have been disbursed to each Hope Scholarship account for students participating in the Hope Scholarship Program during the 2022-2023 academic year for the entire instructional term, if the injunction had not been issued.

12.1.2. "Injunction" or "the injunction" refers to:

12.1.2.a. The preliminary and permanent injunctions that Kanawha County Circuit Court Judge Joanna Tabit granted from the bench on July 6, 2022 in Civil Actions 22-P-24 and 22-P-26, consolidated and styled *State of West Virginia v. Travis Beaver and Wendy Peters*, and as officially entered on July 22, 2022 as the "Final Order Granting Plaintiffs' Motion for Preliminary and Permanent Injunctive Relief and Declaratory Judgment and Ruling on Various Other Motions"; and

12.1.2.b. Any order or other action by a court of competent jurisdiction in the state affirming, upholding, modifying, or continuing the circuit court orders described in 12.1.2.a. of this rule or otherwise preventing or delaying implementation of the Hope Scholarship Program as a result of Kanawha County Circuit Court Civil Actions 22-P-24 and 22-P-26, styled *State of West Virginia v. Travis Beaver and Wendy Peters*.

12.1.3. "Prorated amount" or "prorated amount of Hope Scholarship funds" means the full amount of Hope Scholarship funds, less an amount prorated to account for the student's enrollment in a public school during the 2022-2023 academic year. The Board shall calculate the prorated amount of a disbursement by reducing the full amount by a percentage amount equal to the number of the county board of education's instructional days in the instructional term during which the student was enrolled full-time in public school in said county, divided by 180.

12.2. A student that applied for the Hope Scholarship Program prior to the issuance of the injunction will be eligible to participate in the Program during the 2022-2023 academic year if all the following criteria are met:

12.2.1. A court of competent jurisdiction stays, lifts, vacates, dissolves, or overturns the injunction;

12.2.2. The student's application was approved or, at the time the student's application was submitted to the Board, the student was eligible to participate in the Program according to W. Va. Code §18-31-2(B) and this rule;

12.2.3. The student is a resident of this state;

12.2.4. The student is under the age of 21; and

12.2.5. The student has not completed a secondary school program.

12.3. The Board will disburse the full amount of Hope Scholarship funds to the Hope Scholarship account of a student meeting the criteria of section 12.2. of this rule, if:

12.3.1. The student is enrolled full-time in a non-public school, in compliance with W. Va. Code §18-8-1, and was enrolled in said school for the entire period during which the injunction was in place; or

12.3.2. The student is participating in an individualized instructional program in compliance with W. Va. Code §18-8-1 and was participating in said program for the entire period during which the injunction was in place.

12.4. The Board will disburse a prorated amount of Hope Scholarship funds to the Hope Scholarship account of a student meeting the criteria of section 12.2. of this rule, if the student was enrolled full time in public school for any period of time while the injunction was in place.

12.5. If a student meeting the criteria of section 12.2. of this rule made tuition payments to a participating school for the 2022-2023 school year using non-Hope Scholarship funds between August 15, 2022 and the date the Hope Scholarship funds for the 2022-23 school year are made available in the student's Hope Scholarship account, the participating school may remit said tuition payments made with non-Hope Scholarship funds or any amount thereof to the student prior to or after receiving Hope Scholarship funds for said tuition payments.

12.5.1. A remittance of funds that is issued pursuant to this section and in compliance with all requirements of this rule and the Act is not an impermissible sharing of Hope Scholarship funds, as described in subdivision 11.3.1.b. of this rule, and does not constitute a refund, subject to the requirements of section 8.2. of this rule. The funds being returned to the parents in this situation are the non-Hope Scholarship funds.

12.5.2. As provided in section 11.7. of this rule, a participating school may not accept Hope Scholarship funds and make a remittance pursuant to this section for down payments, deposits, or advance tuition payments made while the injunction was in place if the student did not ultimately attend the participating school. An education service provider may only accept Hope Scholarship funds required to cover tuition and fees for educational services actually rendered to a student.

12.6. Notwithstanding section 8.1. of this rule, the Board may adopt procedures to categorically approve and authorize reimbursement of Hope Scholarship funds to students meeting the criteria of section 12.2. of this rule for the cost of qualifying expenses incurred between August 15, 2022 and the date the Hope Scholarship funds for the 2022-23 school year are made available in the student's Hope Scholarship account. The Board may authorize its Secretary to approve and authorize reimbursement of Hope Scholarship funds for the cost of qualifying expenses incurred between August 15, 2022 and the date the

Hope Scholarship funds for the 2022-23 school year are made available in the student's Hope Scholarship account.

12.7. A student subject to this section must comply with all generally applicable requirements of the Hope Scholarship Act and this rule, including but not limited to, withdrawing from public school prior to receiving any disbursement of Hope Scholarship funds. Students who wish to remain in public school for the remainder of the 2022-23 school year shall elect to decline the Hope Scholarship for the school year and must re-apply for the Hope Scholarship to be eligible for future school years.

12.8. Due to programming delays to the online portal as a result of the injunction, the Board may disburse the 2022-23 Hope Scholarship funds in one payment no later than January 15, 2023 if needed instead of splitting into two installments as outlined in section 7.3.

12.9. Due to delays caused by the injunction, the Board may open the renewal application window for the 2023-24 school year during February 2023 instead of in accordance with the regular annual renewal window outlined in subsection 4.2.2.
